I Gotta Right to Sing the Blues

[Billie Holiday](#)

I gotta right to sing the blues
I gotta right to moan inside
I gotta right to sit and cry
Down around the river
A certain man in this little town
Keeps draggin' my poor heart around
All I see for me is miseryI gotta right to sing the blues
I gotta right to moan inside
I gotta right to sit and cry
Down around the riverSoon that deep blue sea
Will be callin' me
It must be love say what you choose
I gotta right to sing the bluesI gotta right to sing the blues
I gotta right to moan and cry
I gotta right to sit and sigh
Down around the riverSoon that deep blue sea
Will be callin' me
It must be love say what you choose
I gotta right to sing the bluesThere's nothing left for me
I'm full of misery
I gotta right to sing the blues
