

Lionheart (Demo Version)

Blind Guardian

Just let me out of here

Speak to me

It all would be easier

I want to talk to you

Who is that?

Do I hear a whisper?

Or do I hear a cry?

Across the brown land

The stumps of time

Oh turn the wheel and heal me

Since moonlights fade

I'm empty - heal me

I'm in search of the Lion heart

I am ashamed

I myself can't make it

Drown Ulysses

Drown here in the silence

Cause down to Hades I've gone

But I cannot get out

Down below

I can't free my mind

Soon I will fade away

Down below

I can't free my mind

Soon I will fade

"Tic Tac" is the message

And the lunatic fears

He is no more

Speak to me

It all would be easier

While I'm passing by

What's that?

Do I hear a whisper?

Or do I hear a cry?

Across the brown land

The ghost arrives

Pick up my bones and
Tell me
Is this the "Lake of Fire"?
Hell?
Please

I'm in search of the Lion heart
Nobody else
But the pure can save me
Drown Ulysses
Drown here in the silence
Cause down to Hades I've gone
But I cannot get out

Ruins rule my memories
I can't recall the signs
Invite the dead
Then silence struck my mind

Silence is madness
"Tic Tac Tic Tactic"
Says the clock

Just let me out of here
Speak to me
It all would be easier
I want to talk to you
Hear me

Welcome to this sad place
And hand me what is mine
I'm the Theban prophet
The dead and blind

And from the sea you'll feel me
Then you'll breath out gently
Leave me

I'm in search of the Lion heart
I am ashamed
I myself can't make it
Drown Ulysses
Drown here in the silence
Cause down to Hades I've gone

But I cannot get out
