

# By the Time This Night Is Over

Peabo Bryson

Oh ohh Silence takes over  
Sayin' all we need to say  
There's endless possibilities  
In the moves we can make  
Your kiss is giving every indication  
If this heart of mine is right By the time this night is over  
The stars are gonna shine on two lovers in love  
And when the morning comes  
Its gonna find us together  
In a love thats just begun  
By the time this night is over  
Two hearts are gonna fly to the Heavens above  
And we'll get closer and closer and closer  
By the time this night is over Lets take a slow and easy ride  
Just lay back and let love take us over  
There's magic here with you and I  
And its gonna take us all the way  
Lets find some kind of a deeper conversation  
And darling if its right By the time this night is over  
The stars are gonna shine on two lovers in love  
And when the morning comes  
Its gonna find us together  
In a love thats just begun  
By the time this night is over  
Two hearts are gonna fly to the Heavens above  
And we'll get closer and closer and closer  
By the time this night is over A night like this may never come again  
And you wont want this lie to end  
Oh baby we can have it all  
By the time this night is over  
Ooh ooh ooh By the time this night is over  
The stars are gonna shine on two lovers in love  
And when the morning comes  
Its gonna find us together  
In a love thats just begun  
By the time this night is over  
Two hearts are gonna fly to the Heavens above  
And we'll get closer and closer and closer  
By the time this night is over Over

Gonna wrap my lovin' arms around you  
By the time this night is over  
Heavens gonna smile, gonna smile on two lovers  
By the time this night is over  
By the time this night is over  
Heaven let me go, Heaven let you go baby  
By the time this night is over
