The Lord na my Odeshi
E no dey dry for my side
E make me crash for where better dey
E con carry me pass kule water
E dey update my soul status,
Show me road to holy, holy high way

Sake of say im name dey di mata
Even if I waka where dem gas yawa
Oh no shaking!
Nothing dey happen
Walahi nothing is broken.
Ogene tanda, tanda gidigba for my side.

Your 2 by 4 and kondo dey kule my mind
You arrange correct akpu and ohasu for my table
Make I wa hmm...
Enemies go dey carry opolo eye
Dey ask maka why.

You take empowerment oil
Take bath my head ...
