Hello Benjamin

Melpo Mene

Rain so I said
"The umbrellas on the wall"
And you said
"If you like me let's go out"

So this is it
Are we digital no days
And you left
And the disco tech you tense

Now with this ring
I ask you to be mine
And it's sad
'Cause I know it's only dreams

Go into space
For a day inside my ship
And I said
There's a thought with being two
