

Full Moon Party

Noa Neal

Hear the wolves
Calling you to party
There's something in the air tonight
Join the pack, you know you're all invited
Hear the wolves howl at the night
The beat is getting closer
Everybody's feeling freaky freaky
Like there's something in the water
The music's getting louder,
Everybody's acting freaky freaky
Like here's something in the water
Get your claws out, let me hear you hawl
Cos we're freaky freaky,
Throw your head back, let me hear you hawl
Freaky freaky, that's what we are
It's a full moon party, wild like an animal
Full moon party, hawl like you want it all
Cos when the moon is bright, we're gonna own the night
It's a full moon party
A silver light, electrifying energy
I love the feeling when we loose control
You know it's right, the music is in your body
So turn it up, turn it up and let it all go
The beat is getting closer,
everybody's feeling freaky freaky
Like there's something in the water
The music's getting louder,
Everybody's acting freaky freaky
Like here's something in the water
Get your claws out, let me hear you hawl
Cos we're freaky freaky,
Throw your head back, let me hear you hawl
Freaky freaky, that's what we are
It's a full moon party, wild like an animal
Full moon party, hawl like you want it all
Cos when the moon is bright, we're gonna own the night
It's a full moon party
The music's getting louder
Like there's something in the water

The beat is getting closer
Like there's something in the water
Get your claws out, let me hear you hawl
Cos we're freaky freaky,
Throw your head back, let me hear you hawl
Freaky freaky, that's what we are
It's a full moon party, wild like an animal
Full moon party, hawl like you want it all
Cos when the moon is bright, we're gonna own the night
It's a full moon party
