

Falling Man

Backyard Ghost

Tell me how you seek your man
And tell me all your secret spells
 Tell me how you learn
 To tell by his voice that he fell
I know a ghost will walk through walls
Yet I am just a man still learning how to fall
 Try to re-imagine me
 And I'll re-invent myself
 Still I remember scenes
 Of when you looked at someone else
I know a ghost can walk through the wall
Yet I am just a man still learning how to fall
 When you start doubting me

Then I start to doubt myself
 And never look through me
 Cause I'll keep close to myself
I know a ghost can walk through the wall
Yet I am just a man still learning how to fall
 I am what I am
 And what I am is who I am
 I know what I know
 And all I know is that I fell
 If only I could walk through walls
 Then maybe I would tell you who I was
Yet I am just a man still learning how to fall
Yet I am just a man still learning how to fall
