

Somewhere Else to Be

VAST

Every time that I cry out
No one ever comes to me
Every time that I reach out
No one ever rescues me I wish I could hide from everyone
Is there somewhere else to be?
Is there somewhere else to be?
Take me in, I want out, that's all I need I wish I could run from everything
Is there somewhere else to be?
Is there somewhere else to be?
Take me in, I want out, that's all I need
