## Terrateya

Marching along  
Through mud covered floors  
I survey the mansion Ive made  
Carefully built with my own hands I toil, I sweat, I clench my jaw shut  
The walls must be strong and be covered in smut  
Cause you are my nemesis, you are my bane  
Its what the walls say and it drives me insane (Its all their fault)  
Drive me insane  
(Life is out to get me)  
Brick by brick by brick by brick  
(They did it on purpose)  
Get out of my brain  
(They have to pay)  
I will strengthen the chokehold until you leave Crawling along  
On cold and hard stone  
I survey the prison Ive made  
Carefully crafted with my rage I toil, I sweat, I feed on the dust  
The bars must be strong and be covered in rust  
Cause you are my enemy, you are my curse  
Its what the cage says and it makes me feel worse (Its all their fault)  
Makes me feel worse  
(Life is out to get me)  
Stick by stick by stick by stick  
(They did it on purpose)  
Stop this it hurts  
(They have to pay) I will strengthen the chokehold until you leave  
Strengthen the chokehold until you leave  
I will strengthen the chokehold  
So you wont leave
