I'll Step Aside

Ernest Tubb

I'll step aside for you if you don't want me I'll step aside for you if you don't care
I'm not the one to cling to a broken promise
I'll step aside for for someone else somewhere
I'll step aside for you if you don't want me I'll step aside for you and you alone
And when I'm gone just promise you'll remember
That I was once your darling all you own
Before you go please answer this last question
As you gave them too much tear dimmed eyes
Cannot be true you never cared about me
And all those words I treasured were just lies
