

Prom Night

Jeffree Star

We're gonna party like it's prom night (ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth
Dress me up paint the town spike the punch
Got me gone I'm blown I'm out to lunch
Taser in my pocket got the flask got the pipe
I know I know what you like I know I know what you like I'll come pick you up (I know you wanna) Dissappear
with us (We're going under)
Underneath your love (make a dirty mess) I'll make you remember this We're gonna party like it's prom night
(ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth We're gonna party like it's prom night (ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth Dress me down turn me on spill my drink
Push it hard push it good make me scream
I've never done this before condom wrappers on the floor
Ha oops I lied we do this all the time I'll come pick you up (I know you wanna) Dissappear with us (We're
going under)
Underneath your love (make a dirty mess) I'll make you remember this We're gonna party like it's prom night
(ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth We're gonna party like it's prom night (ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth Parade around I'm gonna steal the crown
Everything I want I get come on give me give me kiss
We don't waste our time I'm too hot you're way too fine
You take everything I give come on put this on your lips..hahaha Oh my god you look so beautiful
Wow, Thank you. We're gonna party like it's prom night (ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth We're gonna party like it's prom night (ooh oh oh)
We're gonna fuck like it's our first time (ooh oh oh)
We're gonna party like it's prom night (ooh oh oh)
I just wanna sweat it out, on my clothes and in your mouth
