

# Make You Smile

## Roman Lob

The last time I saw you, you turned away  
I couldn't see you with the sun shinin' in my eyes  
I said, "Hello", but you kept on walkin'  
I'm going deaf from the sound of the freeway  
The last time I saw you, you turned away  
I couldn't hear you with your voice ringing in my ears  
Do you remember where we used to sleep at night?  
I couldn't feel you, you're always so far away  
The first time I saw you, you turned away  
I couldn't see you with the smoke getting in my eyes  
I said, "Hello", but you kept on walkin'  
I'm going deaf from the sound of the DJ  
The first time I saw you, you turned away  
I couldn't hear with the noise ringing in my ears  
Do you remember where we used to sleep at night?  
I couldn't feel you, you're always so far away  
I don't, don't wanna take you home

Please don't, don't make me sleep alone  
If I could, I'd only wanna make you smile  
If you wanna stay with me a while  
The next time I see you, you'll turn away  
I'll say, "Hello", but you'll keep on walkin'  
The next time you see me, I'll turn away  
Do you remember where we used to sleep at night?  
I couldn't feel you, you're always so far away  
I don't, don't wanna take you home  
Please don't, don't make me sleep alone  
If I could, I'd only wanna make you smile  
If you wanna stay with me a while  
I don't, don't wanna take you home  
Please don't, don't make me sleep alone  
If I could, I'd only wanna make you smile  
If you wanna stay with me a while
