

# One Day (X-Factor)

## Emblem3

(One day, one day)  
(One day, one day) Sometimes I lay  
Under the moon  
And thank God I'm breathing  
Then I pray  
Don't take me soon  
'Cause I am here for a reason Sometimes in my tears I drown  
I won't never let it get me down  
And when negativity surrounds  
I know some day it'll all turn around, because All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day, one day, one day, one day  
One day, one day, one day, one day It's not about  
Win or lose, we all lose  
When they feed on the souls of the innocent  
Blood drenched pavement  
Keep on moving though the waters stay raging  
In this maze you can lose your way  
It might drive you crazy but don't let it faze you no way (no way) Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know some day it'll all turn around, because All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day, one day, one day, one day  
One day, one day, one day, one day One day this all will change  
Treat people the same  
Stop with the violence  
Down with the hate  
One day we'll all be free  
And proud to be  
Under the same sun

Singing songs of freedom like Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know some day it'll all turn around, because All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day, one day, one day, one day  
One day, one day, one day, one day
