We Suck

Lisa Germano

He's happy 'cause I didn't say, what I think anyway
I can't tell him what I think
He's happy 'cause I said, "You look gorgeous"
I wanted to say you suck, everything, you suck, everythingHe's happy 'cause he knows he got away with it
He knows my love runs deeper than my feelings
I can't say, I can't tell him what I think
So pretend what I sayStill protecting the boy from the truth
Mr. Control you lose, you lose
Why does he call me, I'm so nice on the phone
In a bad fucking way, I suck, dignity, I suckHe's happy in a nice fucking way
He's happy, he sucks, I'm quiet, I suck
He's happy in a nice fucking way, I'm quiet, I suck
She's happy in a bad sort of way
They're happy, they suck, so happy, we suck
