It's Good News Week

Hedgehoppers Anonymous

It's good news week
Someone's dropped a bomb somewhere
Contaminating atmosphere
And blackening the sky

It's good news week
Someone's found a way to give
The rotting dead a will to live
Go on and never die

Have you heard the news?
What did it say?
Who's won that race?
What's the weather like today?

(This verse is almost always wrong on other sites...)
It's good news week
Famines shake the need for coal
By stimulating birth control
We're wanting less to eat

It's good news week
Doctors finding many ways
Of wrapping brains in metal trays
To keep us from the heat

It's good news week
Someone's dropped a bomb somewhere
Contaminating atmosphere
And blackening the sky

It's good news week
Someone's found a way to give
The rotting dead a will to live
Go on and never die

Have you heard the news?
What did it say?
Who's won that race?
What's the weather like today?

What's the weather like today?

(Some recordings have this verse here...)
It's good news week
Famines shake the need for coal
By stimulating birth control
We're wanting less to eat

(Other recordings have this verse here...)
It's good news week
Lots of blood in Asia now
They've butchered up the sacred cow
They've got a lot to eat

It's good news week
Doctors finding many ways
Of wrapping brains in metal trays
To keep us from the heat
To keep us from the heat
To keep us from the heat
