

# Now I Know

Rihanna

Took a chance  
Rolled the dice of me and you  
Opened up, let you in my world  
Like a dance, started slow and then love took control  
Swept away, so proud to be your girl  
When you write a story much too fast  
Sometimes a happy ending doesn't last  
Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary, everyday thing  
Now I know that when it's right, it's so amazing  
When it's wrong you gotta let it go  
Now I know  
Now I know Remember when we said our love would last forever?  
But then again, how are we to know?  
There comes a time, that love will change like stormy weather  
A sunny day will suddenly turn cold  
Time will teach you all you need to learn  
But there'll always be a first time you get burned  
Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary, everyday thing  
Now I know that when it's right, it's so amazing  
When it's wrong you gotta let it go  
Now I know  
Now I know I don't regret a single day  
Joy and pain along the way  
A broken heart's the price we pay  
As sad as it may seem  
Baby can't you see  
It's the way it's gotta be  
Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary, everyday thing  
Now I know that when it's right, it's so amazing  
When it's wrong you gotta let it go  
Now I know  
Now I know
