Shipwreck Blues

Bessie Smith

Captain, tell your men to get on board
I sure see 'em just pull into another shoreI'm dreary in mind and I'm so worried in heart
Oh, the best of friends sho' has got to partBlow your whistle captain, so your men'll know what to do
Blow your whistle captain, so your men'll know what to do
When a woman gets dreary, ain't no tellin' what she won't doIt's cloudy outdoors as can be
Oh, it's cloudy as can be
That's the time I need my good man with meIt's rainin' and it's stormin' on the sea
It's rainin', it's stormin' on the sea
I feel like somebody has shipwrecked poor me
