The Constant

French Teen Idol

In a time or place
And do you know my face
And how it is I know you
Something so familiar
I can't recognize
And I slip and I slip
As I slip unstuck in time
Gotta find my constant
Or my mind is lost
Stronger
Than any stretch of my imagination
Spanning
My world my all
Am I here now in between undivided?
I am whole now, so hear me
Scream as my heart pound
Moving too fast now
I am here, I am here
Lost in the moment
Caught in the current
I am here, I am here
Scream as my heart pound
Burn the past down
I am here, I am here
Now close my eyes
Take the past and
Burn it, burn it, burn it
Burn it down
I'm here, I'm there
Slipstream I scream
Tell me you hear me
My time is here
My place is now
And I slip and I slip
As I sleep through space I'm tethered
A lifeline to cross time back at you
Stronger
Than any stretch of my imagination

Spanning
My world my all
Am I here now in between undivided?
I am whole now, so hear me
Scream as my heart pound
Moving too fast now
I am here, I am here
Lost in the moment
Caught in the current
I am here, I am here
Scream as my heart pound
Burn the past down
I am here, I am here
Now close my eyes
Take the past and
Burn it, burn it, burn it
Burn it down
Yeah, yeah, yeah, yeah
If I could change one thing I'd
Take back all the lost time
I spent away from your side
Go back and make it right
Am I here now in between undivided?
Am I here now in between undivided?
Am I here now in between undivided?
I am whole now, so hear me
Scream as my heart pound
Moving too fast now
I am here, I am here
Lost in the moment
Caught in the current
I am here, I am here
Scream as my heart pound
Burn the past down
I am here, I am here
Now close my eyes
Take the past and
Burn it, burn it, burn it
Burn it down
