

Scar Tissue

The Bodines

Scar tissue that I wish you saw
Sarcastic mister know it all
Close your eyes and I'll kiss you 'cause
With the bird I'll share
With the bird I'll share this lonely view
With the bird I'll share this lonely view and
Push me up against the wall
Young Kentucky girl in a push-up bra
Falling all over myself
To lick your heart and taste your health 'cause
With the bird I'll share this lonely view and
With the bird I'll share this lonely view and
With the bird I'll share this lonely view and
With the bird I'll share this lonely view
Blood loss in a bathroom stall
Southern girl with a scarlet drawl
Wave goodbye to ma and pa 'cause
With the bird I'll share
With the bird I'll share this lonely view and
With the bird I'll share this lonely view and
Soft spoken with a broken jaw
Step outside but not to brawl
And autumn's sweet we call it fall
I'll make it to the moon if I have to crawl and
With the bird I'll share this lonely view and
With the bird I'll share this lonely view and
With the bird I'll share this lonely view
Scar tissue that I wish you saw
Sarcastic mister know it all
Close your eyes and I'll kiss you 'cause
With the bird I'll share
With the bird I'll share this lonely view and
With the bird I'll share this lonely view and
With the bird I'll share this lonely view
