

Rock Bottom

Eminem

Ah yeah, yo!

This song is dedicated to all the happy people

All the happy people who have real nice lives

And have no idea what's it like to be broke as fuck I feel like I'm walking a tight rope without a circus net

I'm popping perkasetes, I'm a nervous wreck

I deserve respect but I work a sweat for this worthless check

'Bout to burst this tech at somebody to reverse this debt Minimum wage got my adrenaline caged, full of venom
and rage

Especially when I'm engaged

And my daughter's down to her last diaper, that's got my ass hyper

I pray that God answers, maybe I'll ask nicer Watching ballers while they flossing in their pathfinders

These overnight stars becoming autograph signers

We'll all goin' to blow up and leave the past behind us

Along with the small fry's and average half pinter's While playa haters turn bitch like they have vaginas

'Cause we see them dollar signs and let the cash blind us

Money will brainwash you and leave your ass mindless

Snakes slither in the grass spineless That's rock bottom

When this life makes you mad enough to kill

That's rock bottom

When you want something bad enough to steal

That's rock bottom

When you feel like you have had it up to here

'Cause you mad enough to scream but you sad enough to tear That's rock bottom

When this life makes you mad enough to kill

That's rock bottom

When you want something bad enough to steal

That's rock bottom

When you feel like you have had it up to here

'Cause you mad enough to scream but you sad enough to tear My life is full of empty promises and broken
dreams

I'm hoping things will look up but there ain't no job openings

I feel discouraged hungry and malnourished

Living in this house with no furnace, unfurnished And I'm sick of working dead end jobs with lame pay

I'm tired of being hired and fired the same day

But fuck it, if you know the rules to the game, play

'Cause when we die we know we're all going the same way It's cool to be player but it sucks to be the fan

When all you need is bucks to be the man plus a luxury sedan

Too comfortable and roomy in a six

But they threw me in the mix with all these gloomy lunatics Walk around depressed and smoke a pound of ses a

day

And yesterday went by so quick it seems like it was just today
My daughter wants to throw the ball but I'm too stressed to play
Live half my life and throw the rest away That's rock bottom

When this life makes you mad enough to kill
That's rock bottom

When you want something bad enough to steal
That's rock bottom

When you feel like you have had it up to here
'Cause you mad enough to scream but you sad enough to tear That's rock bottom
When this life makes you mad enough to kill
That's rock bottom

When you want something bad enough to steal
That's rock bottom

When you feel like you have had it up to here
'Cause you mad enough to scream but you sad enough to tear There's people that love me and people that hate
me

But it's the evil that made me this backstabbing, deceitful and shady

I want the money, the women, the fortune and fame

That means I'll end up burning in Hell scorching in flames That means I'm stealing your checkbook and forging
your name

Just lifetime bliss for eternal torture and pain

'Cause right now I feel like just hit the rock bottom

I got problems, now everybody on my blocks got 'em I'm screaming like those two cops when Tupac shot 'em

Holding two Glock's, I hope your doors got new locks on 'em

My daughter's feet ain't got no shoes or sock's on 'em

And them rings you wearing look like they got a few rocks on 'em And while you flaunting them I could be
taking them to shops to pawn them

I got a couple of rings and a brand new watch, you want 'em?

'Cause I never went gold of one song

I'm running up on someone's lawns with guns drawn That's rock bottom

When this life makes you mad enough to kill
That's rock bottom

When you want something bad enough to steal
That's rock bottom

When you feel like you have had it up to here
'Cause you mad enough to scream but you sad enough to tear That's rock bottom
When this life makes you mad enough to kill
That's rock bottom

When you want something bad enough to steal
That's rock bottom

When you feel like you have had it up to here
'Cause you mad enough to scream but you sad enough to tear
That's rock bottom
