Flicker & Flutter

Future Islands

You'll never know me, 'cause you gave that up
And I was taken out with the trash
Taken out with the good
You're holding onto nothing, file my away
With all your broken dreams
'Cause that's what you are to me

Take me out, take your ring
You gave to me and I lost
Between the seats
Take me out, take your ring
And everything you ever gave to me

You'll never know me, or crawl so slow
This place is my home, now moving too late
You in the lantern, flicker and flutter
Sign in my chest hair, where are you going
And when are you leaving?
I'm leaving tomorrow, you can't stop me
Is that honesty? is that enough for you?
It's enough for me, file me away
Lyrics with your broken dreams
'cause that's what you're to me

Take me out, take this spider ring
You gave to me, and I lost
Between the seats
Take me out, take your ring
And everything you ever gave to me

How's that for honesty?
How's that for honesty?
Take your ring
