Minejumper

Sodom

you know there is a reason
why you never shouldn't trust
as their fury got released
undertaking blastjumping on a minecan't find refuge
your reign can now begin
ignoring your triumph
summon up the dead
tormening nightmares
revealed my darkest feardancing with the devil
see the staring eyes of rage
violence is just a friend
walking on the right wayjumping on a mine
jumping on a minecan't find refuge
your reign can now begin
ignoring your triumph
summon up the dead
tormening nightmares
revealed my darkest fearshellshock shades of darkness
valiant demise
i see my rent remains
'cause my cerebrations still alivejumping on a mine
jumping on a minecan't find refuge
your reign can now begin
ignoring your triumph
summon up the dead
tormening nightmares
revealed my darkest fear
