

What the World Needs Now

Andy Williams

What the world needs now
Is love, sweet love
It's the only thing
That there's just too little of
What the world needs now
Is love, sweet love
No not just for some
But for everyone Lord, we don't need
Another mountain
There are mountains
And hillsides enough to climb
There are oceans
And rivers enough to cross
Enough to last
'Til the end of time What the world needs now
Is love, sweet love
It's the only thing
That there's just too little of
What the world needs now
Is love, sweet love
No, not just for some
But for everyone Lord, we don't need
Another meadow
There are cornfields
And wheat fields enough to grow
There are sunbeams
And moonbeams enough to shine
Oh listen, lord
If you want to know What the world needs now
Is love, sweet love
It's the only thing
That there's just too little of
What the world needs now
Is love, sweet love
No, not just for some
But for everyone No, not just for some
Oh, but just for everyone
