

# Laundry

## Milhouse

Well, it was certainly that day,  
Pack the clothes and do the laundry.  
I put it off, but they were alive.  
When I'd walk by they'd give me five.

So I packed up boxers and socks.  
And had a bagel with some lox  
But if I'd known she would be there  
That girl with chopsticks in her hair.

So, do you come here all the time?  
Why are yours fluffier than mine?  
I think its time to change my pill.  
But your soap technique is pretty ill.

So, do you come here all the time?  
Why are yours fluffier than mine?  
I think its time to change my pill.  
But your soap technique is pretty ill.

Well, she was hesitant at first,  
I think a little bit frightened by my dirt.  
But I said "babe I feel so clean"  
Unless she likes it dirty.

So, do you come here all the time?  
Why are yours fluffier than mine?  
I think its time to change my pill.  
But your soap technique is pretty ill.

So, do you come here all the time?  
Why are yours fluffier than mine?  
I think its time to change my pill.  
But your soap technique is pretty ill.

So do you come here all the time?  
Why are yours fluffier than mine?  
I think its time to change my pill.  
But your soap technique is pretty ill.
