

Find the Torch, Burn the Plans

Paul Weller

Dream the dream if you can't
Find your way though the sandSing it like you already own it
[Incomprehensible] so show it
Oh, oh, ohFind the torch, burn the plans
State your case in the landScream like you already know it
Our dream is all that we owe it
Oh, oh, ohLive your life if you can
Ride the wave with all [Incomprehensible]Shout like you already know it
Our dream is all that we owe it
Oh, oh, ohSing it like you already own it
[Incomprehensible] so show it
Oh, oh, ohSha, la, la, sha-la-la
(Sha, la, la, sha-la-la)
Sha, la, la, sha-la-la
(Sha, la, la, sha-la-la)
Oh, oh, oh
