

Paint By Numbers

[Hayley Sales](#)

Round and round/ without an end
If you close your eyes/ you sink back in again
All the colours surround you/ and paint your smile
As you Float upstream
Float upstream
Painting by numbers Following the dots/ you move around
Watching as your feet/ become the ground
The horizons dissolving into the clock
As you Float upstream
Float upstream
Painting by numbers It all comes together here
It all comes together/ it's all coming clearer
As you Float upstream
Float upstream
Float upstream
Painting by numbers
Painting by numbers
Painting by numbers
