

Unchain the Night

Dokken

I've been lost in the middle
Always trying to find the wishin' well
Runnin' 'round in circles
Never crossing the lineDon't wanna to touch you
Don't want to see
You've got a knife in your heart
Don't say that you did it for meNever unchain the night
Don't tell me that the love is gone
Never unchain the night
'Cause there's always another turnYou know right where you want it
But you never gave it in return
Runnin' me in circles
Always crossing the lineDon't want to touch you
Leave you confused
You took the easy way out
When you looked through the eyes of a foolNever unchain the night
Don't tell me that the love is gone
Never unchain the night
'Cause there's always another turnNever unchain the night
Don't tell me that the love is gone
Never unchain the night
'Cause there's always another turnNever, never, never, neverNever unchain the night
Don't tell me that the love is gone
Never unchain the night
I'm never gonna set you freeNever unchain the night
Don't tell me that the love is gone
Never unchain the night
'Cause there's always another turnNever unchain the night
Don't tell me that the love is gone
Never unchain the night
I'm never gonna set you freeNever unchain the night
Don't tell me that the love is gone
Never unchain the night
'Cause I'm never gonna set you free
