

# Kentucky Waltz

[Don Rigsby](#)

We were waltzin' that night in Kentucky  
    'Neath the beautiful harvest moon  
    And I was the boy that was lucky  
But it all ended too soonAs I sit here alone in the moonlight  
    I see your smiling face  
    And I long once more for your embrace  
In that beautiful Kentucky waltzWe were waltzin' that night in Kentucky  
    Beneath that beautiful harvest moon  
    And I was the boy that was lucky  
But it all ended too soonAs I sit here alone in the moonlight  
    I see your smiling face  
    And I long once more for your embrace  
    In that beautiful Kentucky waltz
