Damsel In Distress

Dommin

yeah-ah-ah-ah-yeah
yeah-ah-ah-ah-yeahNo matter what I do
what i say
i will always been the enemy
I'd be a fool if I'd stay
because proximity is built in?
I should have seen those warning signs
I've got a damsel in distress
I get the feeling that she's another mess
I've got a damsel in distress
I'm getting more but only wanting lessI never know, just who i'd get
from one crazy moment to the next
one more one more momentin her bed
and in the morning i'll be seeing red
those crimsons flags are flying high
I've got a damsel in distress
I got a feeling that she's another mess
I've got a damsel in distress
I'm getting more but only wanting lessI want a girl i cant resist
I want a girl that won't make me guess
I want to see the story end without a traceI've got a damsel in distress
Yeah-ahaha-yeah
yeah-ahaha-yeahYeah-ahaha-yeah
yeah-ahaha-yeah
I've got a damsel in distress
I got a feeling that she's another mess
I've got a damsel in distress
I'm getting more but only wanting less
I want a girl i cant resist
I want a girl that won't make me guess
I want to see the story end without a trace
I've got a damsel in distress
yeah-ahah-yeah
