Tomorrow's Not Always Like Today

Catman Cohen

In Life, there are NO guaranteesNO guarantees at allJust ask the Tsunami victims who awoke in a flood...And ask yourself.....Where will you be, when you wake up?Will you be alone, when you wake up?
Will you be hurt, when you wake up?
Will you be pretty, when you wake up?When you wake upWAKE UP!!!!!!!Tomorrows Not Always Like Today
And if you want it to be OK
Got to do your share to end the painJust ask the Tsunami victims who awoke in a flood...And ask yourself....Where will you be, when you wake up?Will you be freezing, when you wake up?
Will you be starving, when you wake up?
Will you be you, when you wake up?When you wake upWAKE UP!!!!!!!!Tomorrows Not Always Like Today
And if you want it to be OK
Got to do your share to end the painWAKE UP!!!!!!!!
