

Better Man Than He (Thom Alt J Remix)

Sivu

Lo, lo, lo, lo, lo, lo You can end this anytime you want to
Just jump out of the window
And feel your body break on the ground
Or you can come a little closer
Come ride my magic carpet
And follow stars to Bethlehem You're such a better man that he We'll find faith in the most magical of places
And find home in the smallest of rooms
We'll find life in the most barrenness of faces
And touch Christ in impending doom Lo, lo, lo, lo, lo, lo We can go anywhere you want to
I don't really mind
But follow the life on the moon
A life of pain to do
A curse from me to you You're such a better man that he We'll find faith in the most magical of places
And find home in the smallest of rooms
We'll find life in the most barrenness of faces
And touch Christ in impending doom We're singing
Heroes from your harsh dreams allow me closer
Signs from your palms read
We're so much colder
Ships sail out past the Persian coast to the edge of the world
And I've died Lo, lo, lo, lo, lo, lo You're such a better man that he
