

Walk Away

Ben Harper

Oh, no
Here comes that sun again
That means another day
Without you my friend And it hurts me
To look into the mirror at myself
And it hurts even more
To have to be with somebody else And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away So many people
To love in my life
Why do I worry
About one? But you put the happy
In my nest
You put the good times
Into my fun And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away
And head for the door We've tried the goodbye
So many days
We walk in the same direction
So that we could never stray They say if you love somebody
Than you have got to set them free
But I would rather be locked to you
Than live in this pain and misery They say time will
Make all this go away, away
But it's time that has taken my tomorrow's
And turned them into yesterday's And once again that rising sun
Is dropping on down
And once again you my friend
Are nowhere to be found And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away
And head for the door You just walk away
Walk away
Walk away
Just walk away

Walk on
Turn and head for the door
Just walk away
