Nasty / Rhythm Nation (Glee Cast Version)

Glee Cast

Gimme a beat
Verse 1:
Sitting in a movie show, thinking nasty thoughts
You got to be a gentleman, boy you turn me off
That's right let me tell it
Chorus:
Nasty, Nasty boys, don't mean a thing
All you nasty boys
Nasty, nasty boys, don't eva change
All you nasty boys
Verse 2:
Don't like no nasty girl, I don't like a nasty fool (ooh, yeah)
The only nasty thing I like is a nasty groove
(well this won't do, uh huh, I know, say)
I'm not a prude, I just want some respect
So close the door if you want me to respond(ooh yeah)
Cause privacy is my middle name, my last name is control
(No, my first name ain't baby, It's Janet, Ms. Jackson if you're nasty)
Bridge:
People of the world today, are we looking for a better way all right say
We are apart of the rhythm nation (rhythm)
People of the world unite, pick it up and get it right,one time
We are apart of the rhythm nation (everybody)
Chorus:
Nasty, nasty boys, don't mean a thing
(We are apart of the rhythm nation) (Yeah,yeah, everybody sing it)
Nasty, nasty boys, don't eva change
(We are apart of the rhythm nation)
We are apart of the rhythm nation (sing it, and don't you hear the rhythm)
We are apart of the rhythm nation (all you nasty boys)
