

Caan Hold Us Down

Gentleman

This one is real
Yo, a daddy rings gentleman and barrington levy Babylon a watch we round the clock
Wondering when we gonna launch and attack[Chorus]
No powers gonna hold us down
Not even dem peagon sound
No powers gonna hold us down
You'll never see we wearing a frown (repeat) I've been chanting jah powers from morning
Truths and rights I man keep performing
I hear the Babylon bell how it alarming
Dem see a righteous ghetto youth and ready fi swarm him Dem shoulda overstand the power wha jah storm bring
When it blow the whole a dem hafi go calm king
Long time we did a issue 'bout the warning
We ago hold Lucifer and disarm him I know jah will always be there
And I know he is everywhere
Without jah where would I be
And he is the one for me you see [Chorus] Dem think we fool but we tell dem seh we not
Caan make no wulf come invate the flag
Nuh get caught ina no buubie trap
I and I royal natty dreadlock Well as the sun shine and the wind blow
That's how I know that's how I know
I take a look through my window
That's how I know that's how I know If you nuh know the truth yourself you are deceiving
Trumpet a sound
And I man is leaving
Higher ground that is where I am going
Too bless to stress can't stop me from growing [Chorus]
