

Hanging By a Thread

Frida Sundemo

I'm blurry in the mirror
I can't picture what I'm thinking
It's too silent and you're sorry
I can't even count for all the times I've made mistakes
I'm sorry and we're fading **WE ARE HANGING BY A THREAD**
Because of all of those loving words that we never say
There's no use of doing right without the sparkle in our eyes
HANGING BY A THREAD
We barely do
Oh, tell me, are you lucky?
I can't read us, we're not lucid
You keep hiding, I forgive you
I can't even count for all the times I let you down
I plead guilty, you forgive me **WE ARE HANGING BY A THREAD**
Because of all of those loving words that we never say
There's no use of doing right without the sparkle in our eyes
HANGING BY A THREAD
HANGING BY A THREAD
Because of all of those loving words that we never say
There's no use of doing right without the sparkle in our eyes
HANGING BY A THREAD
We barely do
