

# Let Me Carry You

Agnes

Hush said the angel  
Don't be lonely anymore  
I'm here right beside you  
Like so many times before  
Time and again  
I'm here to fill your heart  
Tonighy I'm gonna show you  
We're never far apartJust like before  
When you don't wanna walk anymoreLet me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry onHush said the angel  
You can tell em like it is  
'Cause I'm not here to judge you  
All I offer you is this  
Time and again  
I've been here to fill your dreams  
Tonight I'm gonna show you  
Love is closer than it seemsLet me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry onWhen you feel like holding me  
I'll be there for sure, for sureLet me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry on
