

Makin' Me Feel

Angie Stone

Oh[Chorus]

I'm really, really lovin' the way that you are makin' me feel
(Makin' me feel)

I'm really, really lovin' the way that you are makin' me feel
(Makin' me feel)If I could live my life inside a dream

We would be the perfect team

We would have a love supreme, ohThere will never be a cloudy day

Love will push the rain away

The blues will never understandIf love if just a touch of magic that we had, I want it all

'Cause I deserve everything and more

And if I make a promise to be true to lovin', I cross my heart

And you could be sure as the angels above[Chorus]If we were trapped inside an hourglass invisible to all the
past

But love I know that we could last forever

And if we're driftin' through the galaxy our spirits running high and free

Just as long as we could be togetherIf love if just a touch of magic that we had, I want it all

'Cause I deserve everything and more

And if I make a promise to be true to lovin' I cross my heart

And you could be sure as the angels aboveLook at me, have let seen in love, lovin' you

Kiss me, I can't realize can only think about you

'Cause every day I pray for you and me

With hopes that we last for all eternity[Chorus]Oh, when the morning comes start wakin' up
Your precious love

Oh, when the morning comes start wakin' up

Your precious love[Chorus]I'm really, really lovin' the way that you are makin' me feel
(Makin' me feel)
