

# Fool in the Rain

## Vanilla Fudge

their's a light in your eyes  
that keeps shining like the star  
that flu away in the night  
I had to think that I was blinded  
why can't I see you tonight  
when you walk and your smile  
makes me start grow0ing  
and the feel of your touch  
gives me excitement  
she got me shaking so much  
you got me yearning  
why don't you show me  
we can make it alright  
feeling alright its alright  
you promised your love  
would be so complete  
you says you would always be true  
you sworn that you would never leave me  
lately what has happened to you  
I thought it was only harmless  
you wish that your dreams  
would only come true  
it isn't the first time someone  
would leave me lately  
and leave me standing here feeling blue  
and you don't feel my blues  
oh my El Camino  
don't you see me standing in the rain  
at the corner  
when I saw you snooping around downtown  
i can't stop this can't tolerate diss  
and I turned around  
the clock on the wall is moving slow mo  
and my hard skip a beat  
and the storm that I thought would be over fun that night what happened to the love that I found  
lost all the love that I found  
lost all the love that i found  
lost all that love that i found  
lost all that love that i foundhoyga bambina oh

hai va la wencha con otro hombre  
Aiba en la sueda paundo finto  
me siento tan triste adentro  
no me siento bueno  
gotta get away- far away oh  
mi corazÃ³n dan los bean bambatta boom  
in the El Camino tengo que llegar a mi jugar  
my body is starting to quiver  
my palm of my hands are getting wet  
I have a reason to doubt you puttana  
you're such a terrible mess  
you had a One a two a three men  
you just a dog in the head in my mind  
you earn your money  
and three quarters of it went to your pimp  
thats why its raining that's why it's raining like a fool in the rain  
loving lies made me your fool in the rain  
loving lies made me you're fool in the rain  
the talk is all over downtown  
talking about the hood hood rat.  
talk in about the hood hood rat.
