How Do You Do That?

The Waiting

Maybe I could understand how You called the darkness light
Maybe I could understand how You made the waters flee
Maybe I could understand how You gave all creation life
I'm an educated man, it's not too hard for me to seeBut there's something about You that confuses me yet
First You forgive and then You forgetHow do Lord, oh do, Lord, tell me
How do You do that? How do You do that?It's not too hard for me to see how You stilled the raging water
Not too hard for me to see how You walked on it like the land
It's not too hard for me to see how You woke the sleeping daughter
I'm holding my degree, think maybe I could understandAnd I've known your forgiveness for each and all of my days
But the way you've forgotten leaves me truly amazedHow do Lord, oh do, Lord, tell me
How do You do that? How do You do that?
How do You do that? How do You do that?You know the hairs on my head, yeah, You named every star
But I'm bowing my knee at how forgetful You areHow do Lord, oh do, Lord, tell me
How do You do that? How do You do that?
How do You do that? How do You do that?How do Lord, oh do, Lord, tell me
How do You do that?
How do Lord, oh do, Lord, tell me
How do You do that?You forgive, You forget
You forgive and then You forget
You forgive, You forget
You forgive
