

# How Do You Do That?

## The Waiting

Maybe I could understand how You called the darkness light  
Maybe I could understand how You made the waters flee  
Maybe I could understand how You gave all creation life  
I'm an educated man, it's not too hard for me to see But there's something about You that confuses me yet  
First You forgive and then You forget How do Lord, oh do, Lord, tell me  
How do You do that? How do You do that? It's not too hard for me to see how You stilled the raging water  
Not too hard for me to see how You walked on it like the land  
It's not too hard for me to see how You woke the sleeping daughter  
I'm holding my degree, think maybe I could understand And I've known your forgiveness for each and all of my  
days  
But the way you've forgotten leaves me truly amazed How do Lord, oh do, Lord, tell me  
How do You do that? How do You do that?  
How do You do that? How do You do that? You know the hairs on my head, yeah, You named every star  
But I'm bowing my knee at how forgetful You are How do Lord, oh do, Lord, tell me  
How do You do that? How do You do that?  
How do You do that? How do You do that? How do Lord, oh do, Lord, tell me  
How do You do that?  
How do Lord, oh do, Lord, tell me  
How do You do that? You forgive, You forget  
You forgive and then You forget  
You forgive, You forget  
You forgive
