

We Won't Give Up

The Afters

Everywhere, everyday
All we hear is, all we hear is
Wait, it's not your time
Just get back in line

And they can try to knock us down
We've got our feet nailed to the ground
If you want to count us out, go ahead
But it's not over yet

We won't back down
We've gotta take our best shot
Give it all we got now
We won't back down
They say we'll never make it
But we're gonna take it all the way

We won't give up, we won't give up
We won't give up, we won't give up

With the clock running down
We're gonna leave our fears and failures all behind
This is our time
We'll reach till we touch the sky

We won't back down
We've gotta take our best shot
Give it all we got now
We won't back down
They say we'll never make it
But we're gonna take it all the way

We won't give up, we won't give up
We won't give up, we won't give up
We won't give up, we won't give up
We won't give up, we won't give up

We won't hold back and we won't slow down the pace
We won't let go and we won't call off the chase

We won't back down
We've gotta take our best shot
Give it all we got now
We won't back down
They say we'll never make it
But we're gonna take it all the way

We won't give up, we won't give up
We won't give up! We won't give up!
We won't give up, we won't give up
We won't give up! We won't give up!
We won't give up, we won't give up
They say we'll never make it
But we're gonna take it all the way
We won't give up!
