Cheater

Randy

If these are the rules
And if these are the laws
Then I will play falsely
'Cause they're filled with flawsAnd I won't play your game
'Cause I think that it's lame
And if you feel just like a do
Oh! You can become-come a chea-chea-chea-cheater tooCheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
If you feel just like I do
You can become a cheater too, yeahI'm a brick through your window
A stick in your machinery
A time bomb ready to blow
I'm Friday thirteen on your diaryAnd I won't play your game
'Cause I think that it's lame
And if you feel just like a do
You can become-come a chea-chea-chea-cheater tooCheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
And if you feel just like I do
You can become a cheater too
All along you cheater singOh yeah
Oh yeah
Oh yeah
You can become a cheater tooOh yeah
Oh yeah
Oh yeah
You can become a cheater tooIf you feel just like a do
Yeah, I promise that it's true
You can become a cheater tooCheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
Cheater, cheater, cheater, cheater
