

Country Living

Mighty Diamonds

Do, do, do-wah
Do, do, do-wah
(Goin'back, goin'back)I'm going back to country living
Where the air is fresh and clean
Going back to natural living
Where the grass grows tall and green
And the skies can be seenI'll say goodbye to Kingston city
City life is not for me
Going where the stars shines brightly
And the sound of nature's voice
Goes in the scene
Cause there's room enough for both of us
Time enough to tell
All the things you wanna do
Country life
Oh with you, yeah with you (goin'back) yeah, yeahGoing back to country living
That's where I was meant to be
Gonna take life nice and easy
Gonna live as I please, ooh, oohCuase there's room enough for both of us, y'all
Time enough to tell
All the things you wanna do
(Country) life
Oh with you, yeah with you
Cause there's (room enough) for both of us, now
Time enough to tell y'all
All the things you wanna do
(Country life) country life
Oh with you, yeah with you (going back)
There's room enough for both of us, now
Time enough to tell y'all
All the things you wanna do
(Country) life
Oh with you, yeah with you
