

# You'll Think Of Me (Acoustic)

Keith Urban

I woke up early this morning around four a.m.  
With the moon shining bright as headlights on the interstate  
I pulled the covers over my head and tried to catch some sleep  
But thoughts of us kept keeping me awake  
Ever since you found yourself in someone else's arms  
I've been tryin' my best to get along  
But that's okay  
There's nothing left to say, but Take your records, take your freedom  
Take your memories I don't need 'em  
Take your space and take your reasons  
But you'll think of me  
And take your cap and leave my sweater  
'Cause we have nothing left to weather  
In fact I'll feel a whole lot better  
But you'll think of me, you'll think of me I went out driving trying to clear my head  
I tried to sweep out all the ruins that my emotions left  
I guess I'm feeling just a little tired of this  
And all the baggage that seems to still exist  
It seems the only blessing I have left to my name  
Is not knowing what we could have been  
What we should have been  
So Take your records, take your freedom  
Take your memories I don't need 'em  
Take your space and take your reasons  
But you'll think of me  
And take your cap and leave my sweater  
'Cause we have nothing left to weather  
In fact I'll feel a whole lot better  
But you'll think of me Someday I'm gonna run across your mind  
Don't worry, I'll be fine  
I'm gonna be alright  
While you're sleeping with your pride  
Wishin' I could hold you tight  
I'll be over you  
And on with my life So take your records, take your freedom  
Take your memories I don't need 'em  
And take your cap and leave my sweater  
'Cause we have nothing left to weather  
In fact I'll feel a whole lot better

But you'll think of me  
So take your records, take your freedom  
Take your memories I don't need 'em  
Take your space and all your reasons  
But you'll think of me  
And take your cap and leave my sweater  
'Cause we got nothing left to weather  
In fact I'll feel a whole lot better  
But you'll think of me, you'll think of me, yeah  
And you're gonna think of me  
Oh someday baby, someday
