

Highway in the Wind

[Arlo Guthrie](#)

Sail with me into the unknown void that has no end
Swept along the open road that don't seem to begin
Come with me and love me, babe I may be back again
Meantime I'll keep sailing down my highway in the wind Evenings just begin the days and follows with the night
To love you and to be with you and say that it's all right
Love me while you have me, Babe I may be back again
Meantime I'll keep sailing down this highway in the wind There's times I feel like going and there's times I
want to stay
Times that I ain't feeling well and times I feel ok
Now you have time to love me, babe and I may have time again
Meantime I'll keep sailing down this highway in the wind The fortune teller tells me that I have somewhere to go
Look and try to understand and wonder how she knows
So I must be going now I'm losing time my friend
Looking for a rainbow down this highway in the wind
