Inner London Violence

Bad Manners

Rude Boy wearing handsome hats Policeman knocking with a rat-a-tat-a-tat Them bored around the streets at night They're not looking but they find a fight

> I say inner London violence Inner London violence Inner London violence Inner London violence

Policemen coming there's no relief Even your best friend is a thief Soon locked up in your council flat Machine gun go a rat-a-tat-a-tat

> I say inner London violence Inner London violence Inner London violence Inner London violence

> > Hey hey hey

(instrumental break)

Inner London violence Inner London violence

Inner London violence Inner London violence Inner London violence Inner London violence Inner London violence Inner London violence Inner London violence ---
