

# A Matter of Time (Marcel Dettmann Remix)

## Dillon

Rain drops, trees rise  
Valleys sink and seas defy  
It's only a matter of timeTemperatures rise  
Mountains peak  
Skies fall, flats tire  
It's only a matter of timeWith the waves  
Cutting air  
I give way  
Call us tradeRain fills my eyes  
In the sea I lose my mind  
I'm only a matter of timeWhen we collide  
Mountains peak  
Skies fall, flats tire  
We're only a matter of timeWith the waves  
Cutting air  
I give way  
Call us tradeRain drops, trees rise  
Mountains peak  
Skies fall, flats tire  
It's only a matter of timeRain drops fill my eyes  
In the sea I lose my mind  
I'm only a matter of time
