

Show Me

Tom Jones

Ah! Show me a man that's got a good woman
Show me
Show me a man out there that's got a good woman
Show me (huh huh)
Show me a man that's got a good woman
Show me a man that's got a good woman
Show me a man that's got a good woman
Show me a man that's got a good woman
Show me a man that's got a good woman I'll show you a man that goes to work hummin'
He knows he's got some sweet love coming at the end of his working day.
Yeah Show me a woman that's got a good man show me!
I wanna see a woman out there that claims she got a good man!
Show me! And if you show me a woman that's got a good man
Show me a woman that's got a good man
Show me a woman that's got a good man
Show me a woman that's got a good man
Show me a woman that's got a good man I'll show you a woman doin' all she can
To make life worth living for her good man
So his troubles don't cross his mind.
Yeah
Show me two people that's in love with each other
Y'all, show me.
I want you to show me two people that's in love with each other
Show me.
