

# Spirit I Am

[Eric Bibb](#)

I live for the spirit I am  
I live for the spirit I am oh oh I am I am  
I live for the spirit I am  
I live for the spirit I am oh, oh, I am I am What Im here for  
I wonder  
What am I in this world to do  
What im here for  
is one thisng  
one thing I know is true  
I love for the spirit I am...Looking in the mirror  
Im asking  
Am I the change I long to see  
You know the workd  
is just a picture  
of whats inside of you and me I love for the spirit I am...The wonder of life  
we may never know in the land and sea  
Is a precious gift to me  
In a world thats torn by war and strife  
all I can do is  
craine up as our reality I tell you if you ask me  
What Im in this world to do I live for the spirit I am...  
Walking with the spirit, I am I am  
talking with the Spirit I am I am  
and Mooving with the Spirit, I am I am  
Just visit th Spirit, I am I am  
Mix it with the Spirit, I am I am  
Dealing with the Spirit, I am I am  
All around the world I am I am
