

Secret Valentine (Acoustic)

We the Kings

Soft kiss and wine, what a pretty friend of mine
We're finally intertwined
Nervous and shy for the moment
We will come alive, tonight Secret valentine
We'll write a song that turns out the lights
When both boy and girl
Start suddenly shaking inside Don't waste your time
Speed up your breathing
Just close your eyes
We'll hope it's not for nothing at all Lay down, be still
Don't worry, talk they will
I'll be loving you until morning's first light
Breaks tomorrow, I'll take care of you tonight Secret valentine
We'll write a song that turns out the lights
When both boy and girl
Start suddenly shaking inside Don't waste your time
Speed up your breathing
Just close your eyes
We'll hope it's not for nothing at all When guilt fills your head
Brush off, rise up from the dead
This is the moment that we will come alive
Brace yourself for love, sweet love, secret love We'll write a song that turns out the lights
When both boy and girl
Start suddenly shaking inside Don't waste your time
Speed up your breathing
Just close your eyes
We'll hope it's not for nothing at all We'll write a song that turns out the lights
When both boy and girl
Start suddenly shaking inside Don't waste your time
Speed up your breathing
Just close your eyes
We'll hope it's not for nothing at all
Nothing at all
